Families that request financial help with tuition costs MUST apply via the FACTS process by June 15, 2021. FACTS can be accessed through the SMA website at... <https://stmichaelupnorth.org/admissions/> or <https://online.factsmgt.com/signin/4KY0T>. The minimum expected tuition contribution for each student, including those requiring financial assistance, is \$1,800 per year.

New students at SMA will lock in the 2021-22 tuition rates for all future years at SMA.

Upon request, SMA will consider alternative arrangements to those presented above. Please feel free to call SMA at 231-881-9025 for more information. No student is denied enrollment for financial reasons.
